About Bay Hotel

Situated at the gateway to Sentosa and in the heart of it all, Bay Hotel Singapore sports a diamante-inspired façade and sets the stage for a nice stay in a modern, boutique hotel. This 11-storey hotel comes fully equipped with its own set of modern comforts and business facilities and is home to 43 standard rooms, 284 deluxe rooms and 6 suites. Its 333 well-appointed rooms are equipped with panoramic bay windows, offering stunning views of Sentosa or lush views of Mount Faber. Bay Hotel Singapore is a non-smoking hotel and will appeal to both business and leisure travellers.
